
Crown Hill Cemetery's 2011 Photo Contest

Photographers are invited to enter Crown Hill's 2011 Photo Contest! **The ENTRY DEADLINE is Monday, October 24, 2011.**

INFO & RULES (to view online, please go to www.crownhillHF.org)

1. This contest is open to professional and amateur photographers of all ages.
2. There will be two categories for entries, Color and Black & White.
3. All images must be printed, mounted on a solid backing (i.e. foamcore, but not poster board), then matted. A simple mat to compliment the photo is best, generally white, black, or gray work well, and sometimes using a colored mat that matches a color in the photo works well too. Photos and mats **must be** attached securely.
4. Photos should be no smaller than 8x10 inches or no larger than 11x14 inches.
5. The outside dimensions of the matted entry must be exactly 11x14 inches. Other sizes will be disqualified.
6. If your image itself is exactly 11x14 inches, it can be mounted on a solid backing without a mat board on top.
7. Photographers are limited to three entries total. They can all be in one category or split between the two.
8. While digital photography lends itself to all kinds of creative manipulations, entries must be limited to simple adjustments like brightness, contrast, tone, white balance, cropping, etc. Manipulated images will be disqualified.
9. Photos taken since January 2000 are eligible.
10. Photos entered into previous Crown Hill Cemetery Photo Contests (or versions of the same) are not eligible and will be disqualified.

WHAT TO PHOTOGRAPH (and what **NOT** to photograph)

You may photograph anything inside Crown Hill Cemetery that is open to the public during regular operating hours, including on our Public Tours at night, noted on our [Online Calendar](#) and our [Public Tours](#) page. This would include trees, flowers, landscapes, weather, sunsets, wildlife, monuments, buildings, details, public events where photos can be taken (i.e. Memorial Day), etc.

You must show the utmost respect in choosing your subject matter. You may **not** photograph anything which would infringe upon another person's privacy, including funerals, memorial services, visitors at grave sites, etc. Photographs of this nature will be disqualified. The cemetery staff reserves the right to disqualify images found to be objectionable.
